

**RESOLUTION APPROVING THE 2016 ENO-HAW HAZARD MITIGATION PLAN**

**WHEREAS**, the Disaster Mitigation Act of 2000, the Code of Federal Regulations and North Carolina General Statutes require the development of a Hazard Mitigation Plan; and

**WHEREAS**, these regulations require an annual review and report of said Hazard Mitigation plan; and

**WHEREAS**, Durham City and County developed previous versions of the Hazard Mitigation Plan under the direction of a joint city-county committee which was subsequently approved by the City Council and County Commission; and

**WHEREAS**, the State Department of Emergency Management has directed that jurisdictions should be grouped into regions and their Hazard Mitigation Plans should be combined to reflect roles and responsibilities throughout the region; and

**WHEREAS**, Durham City and County entered into a Regional Hazard Mitigation Plan with Orange and Alamance counties and all of the municipalities therein; and

**WHEREAS**, the State of North Carolina Division of Emergency Management and FEMA have conducted a review of the updates and the newly approved ENO-HAW Regional Hazard Mitigation Plan.

**NOW, THEREFORE**, we the City Council of the City of Durham hereby approve the Eno-Haw Hazard Mitigation Plan as submitted this sixth day of June, 2016.
